

Pinedale Estates Domestic Water Improvement District
PO Box 1553
Lakeside, Arizona 85929
(928) 367-6621

October 15, 2018

Greeting from the Pinedale Estates Domestic Water Improvement District!

Your board would like to update you on the progress made towards improving our water system.

Last month the DWID had a pump failure and we were forced to haul water in until it could be replaced. This was an expensive repair and your board now realizes that the current rate structure is not adequate to build a reserve for future emergencies and also improve the water system. Therefore, effective with your November bill, the following rates will apply:

PEDWID Monthly Water Rate	
as of November 2018	
\$50 Monthly Usage Fee	
0 – 2,500 gallons	Included w/ fee
2,500 – 35,000	\$2.50 per 1000 gallons
35,000 – 45,000 gallons	\$6.00 per 1000 gallons
45,000 >	\$10.00 per 1000 gallons

Also, Pinedale Estates DWID Rules and Regulations (R&R) are being reviewed & revised to ensure water usage during a water emergency is limited to household usage only. During the pump failure several member continued to water their yards and gardens, causing further outages and increased the amount/cost of water needed to be hauled. R&R changes will be addressed at the next board meeting, tentatively schedule for 8 November at Pinedale Fire Station. The meeting agenda will be posted on the water system gate and the PEDWID website at least 24 hours prior to the meeting. More information can be found on our website at <https://pinedalestateswater.myruralwater.com/>

Please remember that you can have your monthly water bill emailed to you for your convenience. Remit all payments to the above address and address billing questions to Stephanie G Irwin CPA at 928-367-6621 or sgicpa@frontiernet.net. If you have water delivery issues please contact Barry Harville at (928) 242-0320 or kleansweepops@yahoo.com.
